The receptions will be held:
Monday, March 18 in Chicago, IL
Tuesday, March 19 in New York, NY
Wednesday, March 20 in Washington, D.C.
Thursday, April 4 in San Francisco, CA

For details regarding time and location, and to RSVP, visit http://weblaw.usc.edu/events/regional_alumni.cfm. If you have questions, please contact the Office of Admissions at 213.740.2523.

Alumni Ambassadors Sought
The Office of Admissions seeks Alumni Ambassadors who will speak with top admitted students about the benefits of attending USC Gould. Many of our admits are deluged with negative information regarding the legal profession, and we hope to offer some balance to the discussion. As an ambassador, you will serve as a point of contact for a small group of admitted students. Their questions might concern clinical programs, journals, the post-graduate job
search, faculty, life on the West Coast, individual practice areas and other topics.

If you are interested in participating in this effort to bring the nation's very best students to USC Gould, please contact Amy Stevens, associate director of admissions, and she will provide you with a survey to complete. Amy may be reached at astevens@law.usc.edu.

Alumni Sworn Into Bar
Recent USC Gould graduates took their final step toward entering the legal profession when they were sworn into the state and federal bars at a ceremony in Town and Gown in December. Several hundred family members, former professors and friends were on hand to celebrate with 106 of the newest members of the California Bar.

USC Gould had an 88 percent California bar passage rate; the overall California bar examination pass rate for first-time takers from ABA-accredited schools was 77 percent. Read more about the bar ceremony.

Irmas Fellow Charting a New Path
An interest in how cities and transportation infrastructure are planned brought KeAndra Dodds '12 to Los Angeles three years ago. Being selected the 2012-13 Irmas Fellow last June keeps her here to pursue her work in this area. The Irmas Fellowship is a one-year postgraduate fellowship honoring the late Sydney M. Irmas '55 and his wife, Audrey. It provides an annual salary of $40,000 for a recent USC Gould graduate to work at a public interest agency of the graduate's choice; employment benefits are provided for by the agency.
