

Law & Global Health Lecture Series

Global (HEALTH+LAW)

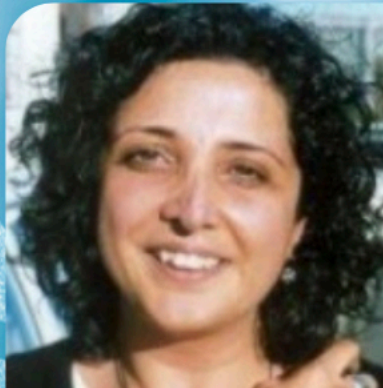

Conflicts Between Law and Public Trust in the Name of Public Health: COVID Experiences From Around the World

Join us for a panel discussion with global and local experts on the use and misuse of the law in the COVID era. With a focus on the impacts on key and marginalized populations, speakers will address grassroots, national and global level responses to the harms caused by governmental actions in the name of COVID with communities in Los Angeles, Kenya and around the world.
