JUSTICE JOSHUA P. GROBAN
CALIFORNIA SUPREME COURT

JUSTICE JOSHUA GROBAN began serving on the California Supreme Court in January 2019. Previously he was a Senior Advisor to Governor Jerry Brown and advised the governor on judicial appointments, legal policy and legislative issues. Justice Groban advised the governor on the appointment of over 600 judges, or roughly one out of every three judges in the state. He received numerous awards from bar groups and other legal organizations for his work on judicial appointments. He also served on a local school board, participated in mentor programs for college and law students, and frequently lectured on judicial appointments. Justice Groban has also taught State Appellate Practice at the UCLA School of Law.

Justice Groban had previously been in private practice, where he specialized in complex civil litigation, with a focus on antitrust, internal investigations, and intellectual property.

Justice Groban received his bachelor’s degree with honors and distinction from Stanford University. He received his J.D. from Harvard Law School, where he graduated cum laude. Following graduation, he clerked for the Honorable William C. Conner in the Southern District of New York.

PHILLIP A. WASHINGTON
CHIEF EXECUTIVE OFFICER
LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY

PHILLIP WASHINGTON was unanimously selected CEO of the Los Angeles County Metropolitan Transportation Authority by the Metro Board of Directors on March 12, 2015. As Metro CEO, he manages a budget of $7.2 billion, is responsible for overseeing more than $18 billion in capital projects, and provides oversight of an agency with nearly 11,000 employees that transports 1.2 million passengers daily riding on a fleet of 2,000 clean-air buses and six rail lines.

Metro is the lead transportation planning, programming and financing agency for LA County. As such, it is a major construction agency that oversees bus, rail, highway and other mobility-related infrastructure projects – together representing the largest modern public works program in North America. Mr. Washington was a key leader in the successful 2016 effort to pass a new half-cent sales tax in Los Angeles County, which will allow Metro to build 40 major highway and transit projects over the next 40 years, create 778,000 jobs and provide $133.3 billion in economic impact for the region.

Mr. Washington previously served as the CEO of the Denver Regional Transportation District. While in Denver, Mr. Washington implemented the nation’s first and only $2.2 billion public-private transit partnership (P3), which is still in operation.

Originally from the South Side of Chicago (the Chicago housing projects of Altgeld Gardens), Mr. Washington is a 24-year veteran of the U.S. Army, where he held the rank of Command Sergeant Major and was awarded the prestigious Defense Superior Service Medal. He holds a B.A. in Business from Columbia College, an M.A. in Management from Webster University, and is a graduate of the Harvard University Kennedy School for Senior Executives in State and Local Government.
